PROFESSIONAL SUMMARY

Results-driven iOS Developer with 4+ years of professional experience designing, developing, and maintaining scalable iOS applications using Swift, SwiftUI, and UIKit. Strong expertise in MVVM/MVC architecture, REST API integration, offline-first applications, and SQLite databases. Proven ability to deliver production-ready apps in Agile/Scrum environments, mentor junior developers, and optimize performance for real-world network conditions. Experienced in App Store deployment, TestFlight, third-party SDK integration, and clean coding practices.

ROLES AND RESPONSIBILITIES

- Developed iOS applications using Swift (SwiftUI, UIKit)
- Collaborated in Agile teams for project delivery.
- Integrated APIs for enhanced app functionality.
- Conducted testing and debugging for bug-free applications.
- Contributed to code reviews and stay updated on iOS trends.

SKILLS

Languages & Frameworks

Swift, SwiftUI, UIKit, iPhone SDK, Cocoa Framework

Tools

Xcode, Git, App Store Connect, TestFlight

Architectures

MVC, MVVM, SOLID principles, Clean Coding

APIs & Services

REST APIs, Third-Party APIs, Firebase Cloud Messaging, Twilio SDK, Agora

Databases

SQLite

Others

CI/CD, Unit Testing, Debugging, Mobile Architecture, Agile Methodologies

PROFESSIONAL EXPERIENCE

C-Square Info Solutions Ltd , iOS Developer	04/2024 – Present Kochi, Kerala
• Lead development and maintenance of advanced iOS applications using Swift and SwiftUI • Guide and mentor junior developers, ensuring adherence to coding standards and scalability principles • Participate in architecture decision-making, improving code structure and reusability • Collaborate with product managers and designers to deliver intuitive and impactful user experiences • Conduct detailed code reviews and foster a culture of continuous improvement	
Datasense Technologies , iOS Developer	03/2023 – 04/2024 Coimbatore, Tamilnadu
• Developed and optimised iOS applications using Swift, SwiftUI, and UIKit • Integrated REST APIs and third-party services to enhance functionality • Debugged and resolved issues to ensure smooth and bug-free releases • Supported Agile development cycles with feature implementation and sprint planning • Contributed to code reviews and maintained software quality standards	
App Innovation Technologies (P) Ltd , iOS Fresher	11/2021 – 03/2023 Coimbatore, Tamilnadu
• Built and maintained multiple iOS applications with a focus on performance and usability. • Integrated Twilio, Google Maps, and real-time chat SDKs for dynamic app experiences. • Designed efficient SQLite database models for offline-capable applications. • Implemented clean architecture patterns and followed SOLID principles. • Performed integration testing and collaborated across teams to deliver high-quality applications.	

KEY PROJECTS

SFA 360 , An offline medical sales system focused on enhancing sales processes
Hero Cycles , A multi-level sales application aimed at optimizing sales operations
Live-Doc , A document uploader designed to handle various file formats
Qliq1's , A social networking application aimed at connecting users
CALLPROOFPLUS , A sales CRM application designed to streamline customer relationships
Pranayama App , A breathing exercise app aimed at enhancing mindfulness and relaxation
BISTRA , A restaurant ecosystem project involving multiple user roles

EDUCATION

B.Sc. Computer Science , Madras University	2018 – 2021 Chennai, Tamilnadu
HSC , Govt Boys Hr. Sec. School	2016 – 2018 Podaturpet, Tamilnadu
SSLC , Govt Boys Hr. Sec. School	2016 Kesavaraja Kuppam, Tamilnadu

KEY ACHIEVEMENTS

Successfully led the development of innovative iOS applications that enhanced user experience and functionality

LANGUAGES

Tamil, English, Malayalam
